Living in Canada

For COVID-19 related information, visit the [UVic COVID-19 website](#) and the [COVID-19 Information on the International Resources web page](#). Please note, as information can change without notice, for the most current immigration information, always visit the [Immigration, Refugees and Citizenship Canada's website](#) and the [Government of Canada website](#).

The International Student Services (ISS) team provides pre-arrival support, settlement services on arrival, and non-academic (e.g., immigration or work authorization) assistance for undergraduate and graduate international students who are seeking a UVic credential, as well as undergraduate and graduate international students who are visiting UVic from other institutions.

Wherever you're coming from, and whatever your previous connection to Canada, we are dedicated to helping you optimize your UVic experience. Consider us your local consultants for all things new and different.

In this section, you will find information on the following topics:

- [International student advising](#)
- [Immigration documents](#)
- [Health insurance](#)
- [Housing & finance](#)
- [Getting started](#)
- [Working in Canada](#)
- [Cannabis](#)

If you have questions about any of these topics, please [contact](#) the ISS team.
