Registration of Canadians Abroad

Registration of Canadians Abroad is a free service that allows the Government of Canada to notify you in case of an emergency abroad or a personal emergency at home. The service also enables you to receive important information before or during a natural disaster or civil unrest.

We encourage you to register whether you are planning a vacation or living abroad.

The personal information obtained through registration is confidential and is used in accordance with the provisions of the *Privacy Act*.

Online registration | Access my registration

For group registrations, complete the online registration with the first 10 co-travellers, save and create your account. Log in again to add more co-travellers.
